**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small business owner and work from home very single day. My entire business is dependent upon high quality, fast internet. I have been through them all, and being able to select a provider that is competitive, provides fiber (way better than DSL), meets my needs, and is fairly priced has been essential to the operation and success of my business.

Competition is key to a healthy market.

Thank you from a concerned consumer,

Rachel Grant
